

→ Try CHEMCAD for free

Engineers can receive a free evaluation version of CHEMCAD by filling out the form below.

WHY CHOOSE CHEMCAD?

- Personalized Technical Support
- Collaborative Approach
- Simulation Expertise
- Flexible Platform
- Intuitive Graphical Interface

Some restrictions apply:

- 1) Free CHEMCAD evaluation is NOT available for students at this time. We would be happy to contact your professor(s) to discuss our academic licensing program.
- 2) Free evaluation copies are NOT currently available to users in Europe and Russia.
- 3) Limit two (2) evaluation copies from the same department of a single organization.
- 4) Technical support during the evaluation is limited to e-mail contact.
